

GORTITE® DIE SET SHIELDS

BULLETIN DS-100

- Bellows-type shields for standard or ball bushing die sets
- Completely seals out damaging dirt, dust, scrap and scale
- Lengthens die set life
- Provides increased operator safety
- Complete with back up mounting plate and clamp

Gortite die set shields are manufactured of heavy-duty, oil-resistant, neoprene-coated nylon material. Bellows-type, formed construction seals out damaging abrasive particles and insures long life operation, even in the highest speed die set applications.
